Putting London First!

The Changing Face of London

**From
this...**

CONSIDER THIS, this is the way London used to be. At ease with itself, friendly, happy and secure. A capital city with a sense of community values and social inclusiveness. If you would like London to be like this again, then support the British National Party, the party that puts local people first.

Is This What You Really Want?

People Like You Voting

HOUSEWIFE Lorraine Henry

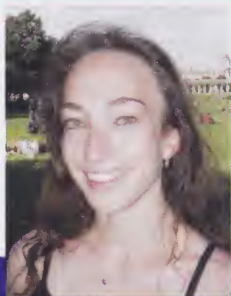

"I'll be voting BNP because I'm terrified about my children's future. Knife and gun crimes are out of control and paedophiles are released back into the community. Only the BNP have policies which keep our children safe."

PENSIONER John Ross

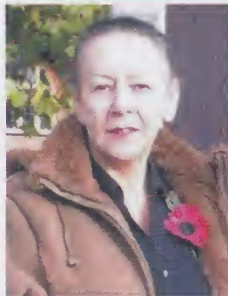

"I am voting for the BNP from now on. Crime and anti-social behaviour are out of control and I am frightened to go out in the evening. There's graffiti everywhere and gangs of youths make life a misery on the buses."

DESIGNER Simone Clarke

"Immigration is out of control. There are over one million illegal immigrants in London already, and many more flood in each year. I'm voting BNP because they're the only party who have the guts to speak out on the issues that count."

COUNCILLOR Pat Richardson

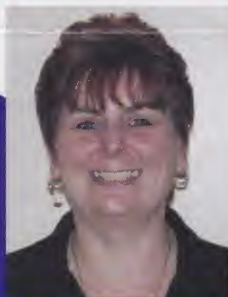

"I'm in the BNP because no one else speaks out against the Islamification of our country. Being Jewish only adds to my concern about this aggressive creed that also threatens our secular values and Christian traditions."

LAWYER Tony Young

"I'm planning to vote BNP because they're the only party who want to abolish the congestion charge as it has been a disaster for businesses. It's just another example of how motorists are being persecuted."

CARER Tracey Lansdown

"I support the BNP because I'm appalled at the lack of cleanliness in our hospitals, leading to MRSA and other deadly diseases. There are many doctors and nurses employed who can't even speak English!"

SALES ASSISTANT Rubi Ham

"I'm definitely voting BNP in future. They are the only party who want tax breaks for working families. They will raise the threshold for paying income tax to £15,000 a year which will make a real difference to my family."

BUSINESSMAN Chris Forster

"I'm voting BNP because they are the only party that wants to get us out of Europe. We pay over a million pounds in tax every hour to Brussels. Imagine how many nurses and police officers we could employ with that money?"

STUDENT Samantha White

"I'm voting BNP because they are the only party who care about the Irish. Our jobs are under threat from economic migrants and only the BNP will stop this. The BNP value the Irish community and will defend our interests."

BUILDER Ken Seager

"I vote British National Party because I'm proud of my country and our heritage. We should celebrate things like St. George's Day and other British festivals like St Andrew's Day instead of Ramadan and Eid."

British National Party

Richard Barnbrook the Man for London!

"If you vote BNP and elect me as Mayor I promise I will work to improve your quality of life by:

- ✓ Scrapping the Congestion Charge, improving traffic flow and removing speed cameras.
- ✓ Providing better and more affordable public transport for everyone.
- ✓ Lobbying to reduce the Council Tax and the cost of the Olympics.
- ✓ Improving the quality of our hospitals and stopping health tourists abusing our NHS.
- ✓ Campaigning for more council houses - the BNP has already secured 5,000 new houses for Barking & Dagenham.
- ✓ Working for a stop to all further immigration - enough is enough!"

BNP Priorities: Housing and Crime

Local people should get priority when it comes to housing.

Crime is a danger to us all. Children are being shot and stabbed and pensioners mugged and robbed. People don't feel safe to walk the streets, but why don't we see more police?

Only the BNP can cut crime because only the BNP will free the police from the handcuffs of political correctness so that they can target the gangs terrorising our streets.

For years the BNP has spoken out against the scandal of immigrants being housed

before local people. The British

National Party want to see an end to the unfair 'bidding system' and a return to the 'points system'. We also want to make sure that local people are housed first and that overseas spongers don't just jump the queue.

We need to clamp down on gangs and make our streets safe again.

Lend Us Your Vote to Make A Real Change in London

Please lend us your vote for Mayor and, most importantly, vote British National Party on the London Assembly list.

This gives us a REAL chance of getting elected representatives to the GLA and that will allow us to make REAL changes for the better.

Make the Politicians Sit Up and Listen - Vote BNP!

We say 'NO' to Immigration

Enough is enough - this country is full! More people means more homes being built, more crime, more unemployment, more strain on the NHS and even more tax rises. The BNP would close the floodgates.

“Because it's not racist to oppose mass immigration and political correctness - it's commonsense!”

WARNING - SMEARS & LIES

During this election you will probably receive some nasty leaflets from the Labour Party. These leaflets will be full of smears and lies about the BNP.

The purpose of these leaflets is to fool you and stop you from voting for the only party that truly represents you - the British National Party. Look at our website - londonbnp.org.uk - read the truth and make up your own mind.

HOW LABOUR PLAN TO STEAL YOUR VOTE

Please do NOT post your postal vote, take it down to the ballot box on election day - 1st May 2008 - to make sure it gets there!
